Frozen Fruit

Strawberry

Treat yourself to the ultimate guilt-free pleasure while reaping the rewards of heart-healthy properties and potential anticancer benefits. Savor the goodness of nature with every juicy bite of our premium strawberries a delicious way to nourish your body and nurture your well-being.

Sweet Cherry

Why settle for cherries that are only available during a limited season? Our Frozen Sweet Cherries allow you to enjoy the refreshing taste and vibrant color of cherries any time you desire. Whether it's for your morning smoothie, a delectable dessert, or a topping for your favorite yogurt, our frozen cherries will bring a burst of natural delight to every bite.

Including frozen black mulberries in your diet can have a positive impact on your overall well-being. Their potent antioxidants help fight off free radicals and reduce oxidative stress, promoting a healthy immune system. The fiber content aids digestion, while iron supports energy production and healthy blood circulation.

Black Mulberry

Raspberry

Packed with natural goodness, raspberries are a delectable source of essential nutrients, including vitamin C, dietary fiber, and powerful antioxidants or use them as a topping for yogurt, cereal, or oatmeal. They also make an excellent ingredient for baking, whether you're making pies, tarts, or muffins. The possibilities are endless!

Blackberry

With potential benefits ranging from improving brain function to aiding weight management, these dark jewels are a must-have addition to your daily routine. Elevate your taste experience and prioritize your health with the exceptional goodness of our premium blackberries.

Blueberry

Elevate your wellness journey with our premium blueberries nature's tiny treasures brimming with immense health benefits. Bursting with antioxidants, vitamins, and phytonutrients, blueberries are a delectable way to nourish your body and mind.

Apricot

We are thrilled to present our latest and most delightful creation Frozen Apricot! Immerse yourself in the essence of summer with every bite, as we bring you the juiciest and most flavorful apricots, carefully handpicked and frozen to preserve their natural goodness.

Sour Cherry

What sets our frozen Sour Cherries apart from the rest? Let us tell you! First and foremost, we source our cherries from the finest orchards, ensuring only the highest quality fruits make it into our packaging.

Whole Halves Sliced Diced Segment Arils Pitted Roundel

Whole Halves Sliced Diced Segment Arils Pitted Roundel

Plum

What sets our Frozen Plum apart is its premium quality and impeccable freshness. We employ cutting-edge freezing technology that locks in the plums' natural flavors and nutrients, ensuring each piece is as juicy and delicious as the day it was picked.

Whole Halves Sliced Diced Segment Arils Pitted Roundel

Orange Segment

Our Frozen Orange Segments offer a delightful contrast of flavors, combining the tangy zing of oranges with the refreshing chill of frozen fruits. It's a pure symphony of taste that will leave your customers wanting to savor every moment.

Packed with a delicious combination of sweet cherries, tangy blueberries, luscious strawberries, and ripe sour cherries, this frozen blend is a true symphony of tastes.

Cherry Berry Blend

Berry Blend

Our berry blend is a symphony of taste - succulent strawberries, juicy blueberries, sweet raspberries, and tangy blackberries come together to create a harmonious burst of flavors in every mouthful. Berries are nature's superfood, packed with essential vitamins, antioxidants, and fiber. Our blend ensures you get the full spectrum of health benefits without compromising on taste.

Frozen Vegetables

Are you looking for a quick and convenient way to enjoy the goodness of fresh broccoli without the hassle of washing, chopping, and steaming? Look no further! Our premium frozen broccoli is the answer to your cravings for a delicious, healthy, and hassle-free meal or snack.

Broccoli

Cauliflower

Nutrient-Rich: Cauliflower is known for its impressive health benefits. It's an excellent source of fiber, vitamins C and K, and is low in calories, making it a great option for weight management and overall well-being. **Versatility at Its Best:** Whether you want to roast it, steam it, mash it, or add it to soups and stews, our cauliflower will be your go-to ingredient.

Are you tired of the hassle and tears that come with chopping onions? We are thrilled to present our premium frozen onions - the perfect solution for your culinary needs. Packed with flavor and convenience, our frozen onions will revolutionize the way you cook!

Onion

Kale

Kale is renowned as one of the most nutrient-dense foods on the planet. Packed with vitamins A, C, and K, along with essential minerals like calcium, potassium, and iron, frozen kale offers a myriad of health benefits. Unlike fresh kale, which tends to wilt and spoil quickly, our frozen kale retains its freshness and nutritional value for much longer.

Green Bean

Unlike fresh produce, our Frozen Green Beans are available year-round, enabling you to enjoy their exquisite taste and nutritional benefits any time you crave them.

Corn Kernel

Introducing the Perfect Frozen Corn Kernels for Your Culinary Delights! Are you tired of searching for fresh corn kernels that are sweet, tender, and full of flavor? Look no further! Our premium frozen corn kernels are the ideal solution for all your culinary needs.

Red Pepper

Versatility is the name of the game! Mapeks' Frozen Red Pepper is incredibly versatile, adapting effortlessly to a wide array of recipes. Whether you're stir-frying a delectable Asian-inspired dish, creating a hearty Italian pasta sauce, or adding a zesty touch to your salads and sandwiches, our frozen red peppers are the perfect addition.

Green Peas

Experience the Mapeks Difference Today! We believe in providing our customers with the best possible products, and our frozen green peas are no exception. Join countless satisfied customers who have made Mapeks their go-to choice for frozen

At Mapeks, we take pride in offering all-natural products. Our Frozen Carrots are free from any additives or preservatives, ensuring a 100% pure and healthy vegetable option.

Carrot

The colorful cauliflowers which come with orange, green and purple colors, are appetizing and contain no GMOs and additives. Compared to white cauliflower, colored cauliflower has a softer texture, lower acidity and higher nutritional value. In addition it was determined that the ratio of betacarotin, which is also found in carrots, was higher in the orange cauliflower.

Rainbow Cauliflower

Green Pepper

The most prominent property of peppers is that they are a good source of vitamin C. They accompany salads, snacks and even main courses with their unique flavor.

Say goodbye to time-consuming preparations! With Mapeks' frozen spinach, meal prep becomes a breeze. No more washing, chopping, or wilting – our spinach is already cleaned, cut, and ready to be used whenever you desire. Simply take what you need and return the rest to the freezer for future use.

Spinach

Winter Blend

The coming of winter brings joy for those who love the harmony of cauliflower and broccoli, which came together within specially prepared winter blend. Swipe for package alternatives of Winter Blend, which accompanies different meals with many recipes.

Leek

Unlock a world of culinary possibilities with Frozen Leek by Mapeks! From savory soups to stir-fries, our frozen leek can seamlessly complement a wide range of dishes. Its vibrant green color and tender consistency make it an ideal ingredient for adding a touch of elegance to any recipe.

A California Blend containing cauliflower, broccoli and carrots which are important sources of vitamins A and C, is a candidate to keep company in your most delicious meals and contains absolutely no preservatives or sweeteners.

California Blend

Tri-Color Peppers

Not only do Mapeks' Frozen Tri-Color Peppers enhance your culinary creations, but they also provide a wealth of essential nutrients. Packed with vitamins A and C, antioxidants, and dietary fiber, these peppers contribute to a balanced and healthy diet. Add a burst of nutrition to your family's meals with every bag of Mapeks' Tri-Color Peppers.

Red Pepper, Green Pepper, Onion Blend

Our Frozen Red Pepper, Green Pepper, Onion Blend adds a new dimension to your dishes, be it stir-fries, omelets, soups, casseroles, or pasta dishes. Say goodbye to tedious prep work - the ideal blend is here!

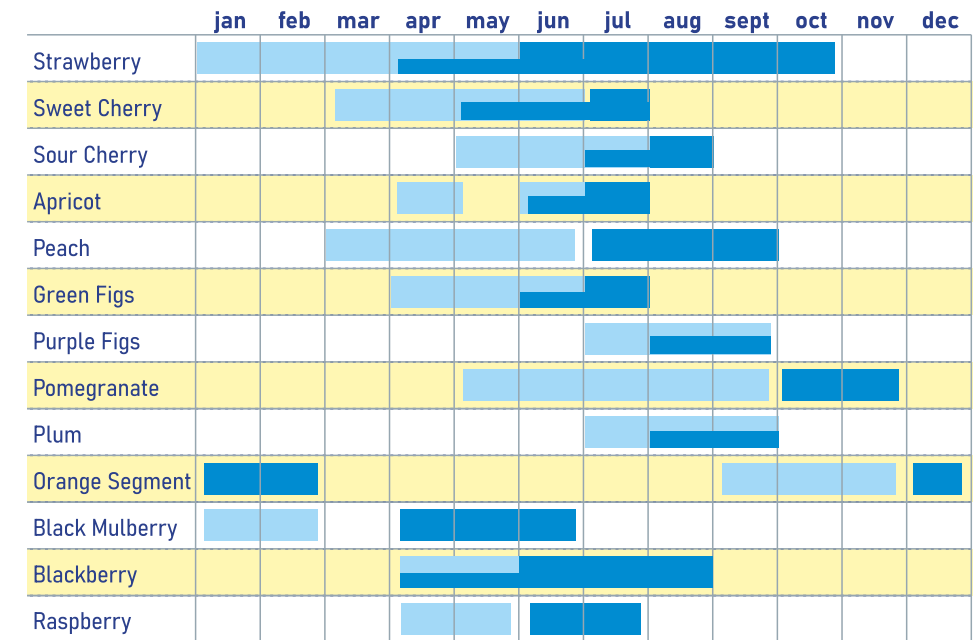

Fajita Blend

Quality and taste are at the heart of everything we do at Mapeks, and our Frozen Fajita Blend is no exception. Whether you're a culinary enthusiast or a busy professional, preparing delicious and healthy fajitas has never been easier with Mapeks.
